Mr. Venkataranjiengar, therefore, prays for the grant of 25 acres of land under the Krishnasagara Reservoir on the same terms on which lands have been granted to the Temples at Melkote and Nanjangud and also the Srinivasa-mandiram at Bangalore.

In 1905 Mr. Venkataranjiengar applied for the grant to the temple of a portion of the lands assigned to the Sri Venugopala Krishnaswami Temple at Chikka malur village, Channapatna Taluk, and Govt declined to interfere in the matter as the Dharmadarsis and devotees of the temple were unwilling to part with the lands.

This concession needed not be stretched so as to include other temples to the detriment of public revenues. The Dewan was pleased to say in another connection that some help is necessary to the Kalale temple and I shall submit a separate recommendation on this subject.

The new temples that have arisen in the Bangalore extensions however stand on a slightly different footing. They owe their existence not so much to individual feelings of piety as to the religious necessity often encountered. In this view Govt have been pleased to sanction fresh grants to these temples. The manager of Sri Venkataramana swamy temple now prays for a grant of lands at concessional rates on the score that the present grant does not cover expenses. There is no doubt that the

Temple Committee, Malleswaram,

To.
K. R. Srenivasa Iyengar, Esquire. M.A.
Deputy Commissioner, Bangalore
District,
Bangalore

Sir,

I have the honour to State that while the Cost of establishment and Paditara Deeparadhana of the Sri Venu-Gopala-Krishnaswami Temple amounts to more than fifty Rupees per month, the Yasdik granted

to it by Government is only Rs 20-15-6 per month. Therefore the remaining amount required to meet the expenses, is made up by private subscriptions. The funds permanently wanted, are for the following items:-

	Per month. Rs.	A.	P.
Pay of the Archaka	12	0	0
~~- Do - Of the Sthanik~~			
- Do - of the Paricharaka	10	0	0
- Do - of the Sthanik	5	0	0
- Do - of the two Adhyapakas	6	0	0
- Do - of the watchman	7	0	0
- Do - of the Musicians	8	0	0
Paditara Diparadhana.	12	0	0
Total	60	0	0

2. It is a well known fact that private subscriptions are precarious and cannot be depended upon. Therefore it is absolutely necessary that permanent provision should be made to meet the above

expenses and to maintain the Temple efficiently and satisfactorily, more particularly as it has been inaugurated in commemoration of the assumption of powers of (Sree Krishnaraja) Wodeyar Bahadur, G.C.S.I., (Administration by His Highness the Maharaja) as noted in the Government Proceedings No. 3397-800½ Muz. F. 36 of 1896, dated 12th March 1906. With such objects, I made an application on behalf of the Temple on the 8th February 1910, to the then Deputy Commissioner for eighteen acres of the Amrit Mahal Kaval below the Maisandra Tank in the Magadi Taluk, or such other extent of it as was available after deducting the area granted to Mr. Gazetta, Barrister-at-Law. To it I received a reply No. R. 401, dated 4th August 1910, stating that the Superintendent of the Amrit Mahal Kaval had written to say that no portion of the Kavals could be spared.

Put up 6-1-1911

3. Subsequently on 24th February 1911, I applied to the Deputy Commissioner.

for the breached tank (Resurvey No. 41) of Gangodahalli in the Dasanpur Hobli, Nelamangala Taluk; and on the 4th November 1912, I applied to him for the lands belonging to Chickanakundikere Tank in the Amugondahalli Hobli of the Hosakote Taluk; but no ~~replied~~ reply has been received as yet. If these lands are not available, I beg to solicit that you will be so good as to recommend to the Revenue Commissioner or the Government to kindly grant to the Temple twenty-five acres of wet land below the Kannambadi Lake of the Cauvery river, on the same terms on which similar lands have been granted to the Temples at Melkote and Nanjungud and also the Srinivasa Mandiram in Balepet, Bangalore City.
